

# HOW TO DRESS UP YOUR VENTO KIDS

**1.** As you remove the VENTO Kids from its packaging and check that all its adjustments are practically at their maximum opening limit to facilitate their placement, position it in the best way to insert the legs.

**2.** After positioning, take it your hips and adjust the rear adjustable strap, pulling on its end.

**3.** Proceed by slightly regulating the leg straps, one at a time, so that the stroller is firm and comfortable.

**4.** Proceed by slightly regulating the the other leg strap, so that the stroller is firm and comfortable.

**5.** To use the front anchor, connect the extensor carabiner to the waist ventral handle.

**6.**For the rear anchorage, connect the bungee carabiner with the side straps.

**7.** To be able to practice Double Bungee using two bungees, use the lateral straps of the harness, leaving them aligned with the iliac bones.
